

Dear Mr/Mrs

we are pleased to inform you that **Lega del Filo d'Oro** together with **Taylor and Francis Group** are organizing the **1st International Conference on Assistive Technology and Disabilities**.

The Conference will focus on diverse areas of study, as well as on technologies and application programs aimed at rehabilitation. Developments and breakthroughs in technology have given us a broader perspective of the field of multiple disabilities and have opened up new possibilities.

The Conference will be held in **Rome** from **October 4th to 6th, 2017** at Università Pontificia Salesiana - Istituto di Psicologia – Aula Paolo VI - P.zza dell'Ateneo Salesiano, 1 - Roma (Italy).

Please find below the **1st Announcement**.

We kindly ask you to promote the Conference, as widely as possible, to all other contacts that may be interested in.

For further request and information please contact the Organizing Secretariat or visit the Conference website: www.atadconference.org
